§ 3001.164 Rule for decision.

The Commission will issue a decision on the Postal Service's proposed market test in accordance with the policies of the Postal Reorganization Act, but will not recommend modification of any feature of the proposed market test which the Postal Service has identified in accordance with § 3001.162(g). The purpose of this subpart is to allow for consideration of proposed market tests within 90 days, consistent with the procedural due process rights of interested persons.

§ 3001.165 Data collection and reporting requirements.

In any case in which the Commission has issued a recommended decision in favor of a market test requested by the Postal Service, and the Board of Governors has put the market test recommended by the Commission into effect, the Postal Service shall gather test data and report them to the Commission in accordance with the plan submitted pursuant to § 3001.162(h). If the Postal Service's plan for reporting test data does not provide for periodic reporting during the conduct of the test, the Postal Service shall submit all test data to the Commission no later than 60 days following the conclusion of the test.

§ 3001.166 Suspension, continuation or termination of proceeding.

(a) In any case in which the Commission has issued a recommended decision in favor of a market test requested by the Postal Service, and the Board of Governors has put the market test rec-

ommended by the Commission into effect, the Postal Service may move for suspension of the proceeding in which its request for a permanent change in mail classification is to be considered. The Commission shall grant the Postal Service's motion for suspension if, in the Commission's opinion, it would be reasonable under the circumstances to defer consideration of the request until the information to be produced in connection with the market test becomes available.

(b) At any time during the pendency of a market test recommended by the Commission pursuant to this subpart, or following the completion of such a market test, the Postal Service may move to revise or withdraw its request for a permanent change in mail classification. If the Postal Service moves to revise its request, it shall file with the Commission all data necessary to support its amended request. If the Postal Service moves to withdraw its request, it shall explain the circumstances leading to its motion, but need not produce the test data that would otherwise be submitted pursuant to § 3001.165.
